

# 6 REASONS TO JOIN THE PTA

## Be better connected

If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community.

## It's totally flexible

Having kids is time consuming. We get it. It's less commitment than you think, and you don't have to attend meetings. Small jobs such as posting on Facebook, manning a stall for an hour, or sourcing prizes would be a massive help.

## Support your school

The PTA is vital to the success of our school. Funds raised enrich your child's learning. As a group, we have paid for extra library books, iPads, new performance staging, and ice creams on special days!

## Learn new skills

Everyone has something they can bring to the PTA, but you can also learn new skills by trading with others. Always wanted to learn how to manage an event? Not sure how to design a poster? Want to hone your public speaking skills? We've got you.

## It's fun! (yes, really!)

We have meetings in the pub. We debrief over a latte, sometimes with cake. We throw crazy ideas and plans around over a curry. We bond over the satisfaction of a job well done.

## Make new friends

It sounds cliched but it's true! You will get to meet a wide circle of families from all over the school. We're not cliquey, we have an absolute 'more the merrier' ethos and we would love to meet you.
