Welcome Back

We have loved welcoming your children back to school and getting to know you all.

We have lots of fun and exciting activities planned for the year.

Safeguarding

Under the Education Act 2002 (section 175), schools must "make arrangements to safeguard and promote the welfare of children".

We will endeavour to provide a safe and welcoming environment where children are respected and valued.

Schools and their staff are an important part of the wider safeguarding system for children.

Safeguarding and promoting the welfare of children is defined for the purposes of this guidance as:

- protecting children from maltreatment
- preventing impairment of children's health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes

If you have any concerns about safeguarding or the welfare of any pupil at our school, you can talk with any member of school staff. We also have four key contacts who lead on Safeguarding.

Keep updated with our website!

- Each term the subjects and coverage will be put online on the school's website.
- The Spring and Summer Term will be added later in the year.

Learning at home Spellings

- The children will be receiving a new differentiated spelling list (there will be a new spelling list every half term). Please help your child to learn their words ready for a test each week, usually on a Monday.
- The children will also be expected to learn the spelling list for Year 3/4. Please support us in helping your children learn all their spellings.
- Spelling strategies
 - Little and often and repetition are good ways of learning new words, Look, cover, write, check and saying words aloud. Also discussing the patterns and meanings of the words given can help give them a context. Your child can also use Spelling Shed, if you haven't got a login for this please let us know and we can set one up for you.

Learning at Home

Each week roughly 30 mins per activity should be spent on the task;

- 1 piece Literacy, History, Science or Geography
- 1 piece Numeracy
- Homework will be given out on a Wednesday and handed in on the following Monday.
- Spelling lists and times tables should be learnt and revised each week.
- Reading should be done on a daily basis for a minimum of 15 minutes and signed in the reading diary. These will be collected in every week. We hope that throughout a week a child will have been heard at least 4 out of 7 times at home.
- As with our class work our expectation is that your child takes pride in their homework and homework awards are available.

Learning at Home
