# Safeguarding

**Under the Education Act 2002 (section 175), schools must “make arrangements to safeguard and promote the welfare of children”.**

**We will endeavour to provide a safe and welcoming environment where children are respected and valued.**

Schools and their staff are an important part of the wider safeguarding system for children.

Safeguarding and promoting the welfare of children is defined for the purposes of this guidance as:

- protecting children from maltreatment
- preventing impairment of children’s health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes

If you have any concerns about safeguarding or the welfare of any pupil at our school, you can talk with any member of school staff. We also have key contacts who lead on Safeguarding.

# Homework – Class Dojo

- ❑ Homework will be set on Class Dojo on a Thursday and will need to be in by Tuesday. We will be monitoring and keeping a record of completed homework.
- ❑ The objectives are linked to the work being carried out in class for that week or the following week. This could be for Numeracy, Literacy or topic lessons.
- ❑ Children can present their work in any way to show they have met the objective. This can be through photos, posters, leaflets, collages etc.

# Reading Books

- ☐ Reading books are changed on a Friday.
- ☐ Reading diaries will be collected every Friday and a record kept when they have read at home.
- ☐ Children will need to bring their reading book to school EVERYDAY.
- ☐ In year 2, we look more at developing reading comprehension skills – children's understanding of what they have read. Are children able to retell events and infer meaning from the text?
- ☐ Please aim to listen to your child read at least 3 times a week.
- ☐ We greatly appreciate your support with hearing your child read regularly at home and discussing what has been read.

# Meeting the Needs of the Children

We have high expectations of all pupils and want all to reach their full potential.

Tasks are differentiated to meet children's needs either by task, by level of support or by expected outcome.

# ***Assessment***

# Assessment **FOR** learning

Assessment is an ongoing process.

Throughout every lesson, the teacher will be assessing where the children are in their learning. This assessment will help the teacher to adapt the lesson as needed or feed into future planning to enable children's needs to be met.

# Assessment OF learning

It is necessary at certain times for assessment to take place in the form of tests. This enables teachers to check children's progress, particularly at the end of a unit of work or school year.

Although Year 2 no longer have to administer the Year 2 SAT papers, the children will carry out end of topic/term tests.
