

Enrichment in Year 1 and 2

Over the last year, Year 1 and Year 2 have taken part in a range of exciting trips and events and we are looking forward to seeing what the next year brings.

Wild Science

Year 1 and Year 2 had an exciting opportunity to take part in a workshop run by Wild Science. We were very brave and handled a range of different animals.

Nativity

The children enjoyed taking part in a nativity play. They were amazing at learning their parts, had beautiful singing voices and were fantastic performers. They loved being able to share their performances with the children in school and their friends and families.

Year 2 Theatre trip

Year 2 had an exciting opportunity to go to the New Theatre and watch a performance of 'The Snowman' including a live orchestra. There was a range of instructions and we enjoyed singing along to some of the songs.

Peterborough museum trip

As part of our topic, 'Dinosaurs,' Year 1 and Year 2 visited the Peterborough Museum to carry out an 'Under the Jurassic Sea' workshop. It was a fun and exciting experience for the children who became mini palaeontologists; handled and investigated fossils, they took part in a craft activity to make their own Jurassic creature out of clay, and also got the chance to look around the rest of the museum's exhibitions.

Multi skills festival

Year 1 and Year 2 were invited to take part in a multi skills festival at Hampton College. The children enjoyed taking part in a range of sports activities lead by some of the students and staff from Hampton College. They furthered the skills learnt as part of our PE learning and demonstrated amazing teamwork.

Woodgreen workshop

During our animal topic the children have the opportunity to take part in a workshop run by Wood Green Animal Shelter. The children learnt how to look after small pets and what animals need.

Year 1 Hamerton Zoo trip

As part of their topic, 'Animals,' Year 1 went on a trip to Hamerton Zoo where we looked at all the animal exhibits. The children took part in a workshop linked to animal groups. We met a snake, an armadillo and got to touch animal skin.

Year 2 Sealife centre, Hunstanton trip

While at the Sea Life Centre, the children got to walk around and see all observe all the wonderful animals such as otters, penguins and sharks. They also took part in a workshop where they got to touch a starfish and investigate objects found in the ocean.

Science week, Sports week, Arts week, International Languages week

Over the year, the children have taken part in a range of different enrichment weeks. We have completed fun activities, welcomed visitors into school and furthered our learning. We had so much fun during their weeks and accomplished many personal achievements and goals.

Outdoor learning

Year 1 and Year 2 took part in a range of outdoor learning activities across the year linked to many of the different subjects and topics. Year 1 explored their local area, looking at plants and nature. We have enjoyed exploring our outdoor environment including going on minibeast hunts, creating minibeast homes and looking at the different types of trees.

Clubs

Over the year, there have been a range of clubs on offer including Easter craft club, Lego club, Science club, Zumba, multi-sports, gymnastics, football and choir.

There have been a range of enrichment activities across the year from Key Stage 1 including whole school dress down days for events such as Word parade day, Roald Dahl Day, Comic relief, celebrating Coronation day and many more.
