

Sports Clubs in our Local Area

Please find attached a list of clubs and contact information for external sport and physical activity clubs in our local area, which you may wish to get your child involved in.

Please note that these clubs are run by external providers and not Hampton Hargate Primary School. Parents should liaise directly with the club organisers and not the school. It is your right as a parent or carer to check how well a sport/activity provider operates – for the sake of your child's safety and your peace of mind.

Here are some key points to consider when choosing a sports club:

- Even if a club is accredited, you should check that the organisation has a safeguarding policy, with a clear procedure for dealing with concerns or risks of abuse. You should be advised from the external provider how you can access the policy.
- A named and contactable welfare officer responsible for the implementation of their safeguarding policy and dealing with issues relating to the protection of children, young people or adults in sport.
- Procedures for dealing with complaints or concerns regarding poor practice, abuse or neglect
- Written standards of good practice, such as a code of conduct or behaviour
- A parental consent and emergency details form that you must return to the club or activity provider
- Safe recruitment procedures for those working with young people that include a clear job description, appropriate references, criminal records checks (e.g. DBS) for relevant posts and technical qualifications
- Access to appropriate safeguarding or child protection training for its staff and volunteers.

Please note the school will assist parents where possible but is not responsible for the administration of the club.

This list is not extensive but if you would like to add any local clubs to this list please email the office with the contact information. You will be able to find this list on our school website and the information will be displayed within our school so that the children can see what sporting opportunities are in our local area.

Thank you,

PE Co-ordinators

Elisha Asplin and Lyndsey Williamson
