Design and Technology @ Hampton Hargate

At Hampton Hargate school our vision is for all children to be inquisitive problem solvers. We foster an environment of curiosity and excitement, allowing children to thrive and develop within the subject.

We consider own and others' needs, wants and values

We understand the importance of careers and aspire to greatness

We are problem solvers and are resilient

We use our creativity and imagination

We design and make products that solve real and relevant problems

We combine our design and making skills with knowledge and understanding

We delve into many contexts to solve problems
