Hampton Hargate's first ever *Languagenut* Competition!

This month we are introducing a fantastic opportunity for all KS2 children to take part in Hampton Hargate's first ever Language Competition, via their *Languagenut* logins.

What is Languagenut?

We are incredibly lucky to have Mrs Wills as our languages teacher, who brings her knowledge and passion for French and incorporates engaging games, songs and role play, alongside *Languagenut* which is a digital resource pupils can access at school and at home with their own username and password.

This competition only involves children from our school and will take place next week from **12pm on Monday 2nd - 6pm Friday 6th December.**

Language lessons for next week will focus on using Languagenut and all of the time banked during those lessons will make minutes towards each child's learning log for the competition. **Children are encouraged to use their logins at home.** They can use it to do any of the following:

- Play a variety of fun and interactive games
- Practise the 4 main skills of learning a language: listening, talking, reading and writing.
- Pupils can earn points for their achievements and can monitor their learning.
- Learn any of the 6 different languages shown here:

Winners of our competitions for each year group will be announced the following week in assembly where our whole school language learning will be celebrated! So get logged in and get language learning!

Yours sincerely,

Mrs Todisco
Primary Languages Lead.
