

Hampton Hargate Primary School

Freedom of Information Policy

Date: AUTUMN 2025
Review date: AUTUMN 2027

Hampton Hargate Primary School believes that all children, regardless of ability and behaviour are valued equally. Groups of pupils (eg. SEND pupils, children in care, EAL pupils etc) are not viewed as separate but are part of the whole school approach. As a Dyslexia Friendly School, we understand the importance of pupils acquiring literacy and numeracy whilst promoting a broad and balanced curriculum, accessible to all. We recognise that different children's needs are met through varied and flexible provision and the use of different styles of teaching & learning throughout the curriculum. Every Child Matters (ECM) is an important part of the school ethos and we encourage all staff, governors, visitors, helpers etc to play their part in promoting this. This policy therefore applies to all our children, regardless of their gender, faith, race, culture, family circumstances or sexuality.

This school is committed to safeguarding and promoting the welfare and safety of all children and expects all staff to share in this commitment. All staff must follow the guidelines set out in the relevant section of **myconcern®** which is available online.
