30th September 2026

YEAR 4 AUTUMN, SPRING AND SUMMER TERM ENRICHMENT ACTIVITIES

Year 4 have several exciting extra-curricular events this academic year. These events are to enhance your child's learning and we feel they are valuable part of the education we offer here at Hampton Hargate Primary School. These events must be paid for from our school budget and your contributions are crucial to enabling us to continue to offer these events.

Included in your child's enrichment is our fabulous **Science Week** which will include many exciting science learning opportunities including a visit from The Royal Institution where they will present an exciting show called EXPLOSIVE FOOD. Here the children will learn about food and its often explosive nature. They will find out about the incredible amount of energy contained in the food that goes in your mouth in this show packed with exciting chemistry and physics demonstrations. Parents will also have the opportunity to participate in a community show after school, which in previous years has been great fun! Y4 will also have a visit from Dr Jo. Year 4 making ice-cream linked to their states of matter topic.

1st December - Trip to Peterborough Cathedral

As part of our RE work this term about the true meaning of Christmas, we will be spending the day at Peterborough cathedral where we will be in small groups and work around a series of stations focusing on the main parts of the Christmas story.

- The Preparation – Advent
- The Announcement – The angel Gabriel visits Mary
- The Promises – The wise men
- The Journey – Mary and Joseph travel to Bethlehem
- The Message – the angels visit the shepherds on the hillside
- The Gift – Jesus is born

We will also create some artwork during our visit.

11th December - Y4 Samba Concert Hampton College

This term the children are taking part in exciting whole class music lessons provided by Peterborough Music Hub learning Samba. They will also be taking part in a concert at Hampton College alongside other local schools. It is a fun morning which enables the children to perform with their class and to be an audience to other children who will be playing a variety of instruments. We will be walking to Hampton College and will return to school in time for lunch.

23rd March 2027 - Y4 Production

Year 4 will be performing together at the end of the Spring term. This will be a memorable experience for the children as they showcase a range of different skills in front of the rest of the school and their parents. They will be immersed in acting, singing and dancing. Always a great end to the term.

Week Beginning 17th May 2027 – Sports week

Children will take part in several different sporting activities during our annual Sports Week. They will develop their physical abilities, learn new skills and show their team spirit. Furthermore, they will engage in competitive activities, whilst promoting health, safety and physical fitness.

23rd June 2027- Visit to Sacrewell Farm

As part of our Geography topic 'Farm to Fork' we will be visiting Sacrewell Farm where, as part of the day, we will take a tractor ride around Riverford Organic Farm to see where fruit, vegetables and wildlife friendly plants are grown and to see how farmers sow, grow and harvest vegetables according to the time of year. We will also investigate the journey of wheat from grain to plate. Each child will mill their own grain before making a scone to bake.

30th June - Kid's Country Workshop in school.

In the Farm to Fork workshop, children will:

🌱 Investigate real seasonal produce

🌍 Discover where and how food is grown

🥕 Explore the journey from farm to plate

👩‍🍳 Create and taste their own seasonal dish

🌱 Plant a pea seed to take home

Summer term – Smoothie Bike Workshop in school

Continuing our 'Farm to Fork' topic and DT work about seasonal foods the children will be taking part in a workshop with ABM our school catering providers. They will learn about nutrition and healthy eating and create smoothies using a smoothie bike!

For all these extra-curricular events we are asking for a voluntary contribution of only **£11.65 per term** which can be **paid through your ParentPay account when you give consent for your child to go on the trips**. Whilst these are voluntary contributions unfortunately, if we do not receive enough contributions we may have to cancel one of these events. If you are unable to make the full contribution each term you are able to make a contribution you can afford through your ParentPay account.

Yours Sincerely
Year 4 Team
