

## Year 2 POSH Trip

On Tuesday 5<sup>th</sup> June Year 2 went to visit the Peterborough United Football Stadium. Our summer term topic was all about Sport. We only had a short coach ride but we were all really excited. When we got there we walked around the outside, up into the stands and then into a room with a view of the ground. There was a little digger there as they were making some improvements over the summer break.

There were three different activities across the day. One activity was a stadium tour where we got to see the trophy room and found out some facts about the history of the club. Another activity was learning all about healthy eating and a balanced diet. We each had a booklet to fill in and take home. The last activity was about keeping active. We played a variety of games that got us all moving.

While we were having lunch we played a football quiz and had the opportunity to ask the POSH staff some questions. We had an amazing day!
