

Year 3 and 4 trip to Kew Gardens

A highlight of the summer term for Year 3 and 4 was our school trip to Kew Gardens, which we thought was absolutely brilliant! Thanks to Mrs Wilmot for organising it for us all to enjoy. After a long, hot bus journey, we went on the high walk which took us up above the trees to look down on the canopy layer of some of the trees at Kew. We also went inside the glass houses, which were full of exotic and colourful rainforest flowers. The atmosphere was very hot and humid and it really did feel as though we were walking through the Amazon Rainforest.
