

YEAR 3 and 4 FLAG FEN TRIP

Year 3 and 4 children had a wonderful trip to Flag Fen in the Autumn Term. It really helped us understand more about our Pre-history topic. We sat around the fire pit in the roundhouse and our guide told us a story. We also made a human timeline and we were archaeologists and had to place the artefacts in a timeline and explain why they were made in that Age. We also made a bracelet from clay. We had two wonderful days at Flag Fen!
