Hampton Hargate Primary School

Health & Safety Policy

Approved: November 2017

Review date: November 2018

Hampton Hargate Primary School believes that all children, regardless of ability and behaviour are valued equally. Groups of pupils (eg. SEND pupils, Children in Care, EAL pupils etc) are not viewed as separate but are part of the whole school approach. Different children's needs are recognised and met through varied and flexible provision and the use of different styles of teaching & learning throughout the curriculum. Every Child Matters (ECM) is an important part of the school ethos and we encourage all staff, governors, visitors, helpers etc to play their part in promoting this. This policy therefore applies to all our children, regardless of their gender, faith, race, culture, family circumstances or sexuality.

This school is committed to safeguarding and promoting the welfare and safety of all children and expects all staff to share in this commitment. All staff must follow the guidelines set out in the Child Protection folder which is in each classroom and key locations around the school.

Our Club takes the maintenance of health and safety extremely seriously as a matter of both legal and moral importance. All staff will be familiarised with the provisions contained within this policy as part of their induction and be expected to act in accordance with them at all times.

The staff will follow the policy of the school and the Health and Safety guidelines of Peterborough City Council.

The staff aims to ensure the health, safety and welfare of all staff, children, visitors and other individuals who may be affected by the Club's activities and actual existence. The Health and Safety at Work Act 1974 and the Workplace (Health, Safety and Welfare) Regulations 1992 and their associated Approved Code of Practice (ACoP) and guidance will be complied with at all times. The Manager and staff will always strive to go beyond the minimum statutory standards to ensure that health and safety remains the first priority.

The steps below will be actioned as a matter of course:

- Create an environment that is safe and without risk to health.
- Prevent accidents and cases of work-related ill health.
- Use, maintain and store equipment safely.
- Ensure that all staff are competent in the work in which they are engaged.

Responsibilities of the Registered Person (Headteacher), the Manager and Staff

The identification, assessment and control of hazards within the Club is vital in reducing accidents and incidents. The Manager is responsible for assessing risks to health and safety arising out of the Club's activities and introducing suitable steps to eliminate or control any such risk identified.

It is vital to ensure that health and safety matters are taken seriously by all members of staff and other persons who are affected by the Club's activities. Staff who have been found to have blatantly disregarded safety instructions or recognised safe practices will be subject to the procedures laid out in the Staff Disciplinary Procedures policy.

Hampton Hargate Primary School holds ultimate responsibility and liability for ensuring that the Club operates in a safe and hazard free manner. The school – along with the Manager – is responsible for ensuring that staff both understand and accept their responsibilities in relation to health and safety procedures.

The school will ensure that adequate arrangements exist for the following:

- Monitoring the effectiveness of the Health and Safety policy and authorising any necessary revisions to its provisions.
- Providing adequate resources, including financial, as is necessary to meet the Club's health and safety responsibilities.
- Providing adequate health and safety training for all staff.
- Ensuring that all accidents, incidents and dangerous occurrences are adequately reported and recorded (including informing the Health and Safety Executive, and Ofsted, where appropriate).

- Reviewing all reported accidents, incidents and dangerous occurrences, and the Club's response, to enable corrective measures to be implemented.
- Ensuring that all staff, students, volunteers and any other adult who come into contact with children at the Club have appropriate and up to date Disclosure and Barring Service checks.

The Manager is responsible for the day to day implementation, management and monitoring of the Health and Safety policy. The Manager is required to report any matter of concern regarding the Health and Safety policy to the Headteacher.

Staff are responsible for ensuring that the provisions of the Health and Safety policy are adhered to at all times. As such, they are required to:

- Have regard for the Health and Safety policy and their responsibilities under it.
- Have regard for any health and safety guidance issued by the Manager or the School, and act upon it whenever appropriate.
- Take reasonable care for their own health and safety as well as of other persons who may be affected by their acts or omissions at work.
- Take all reasonable care to see that the equipment and premises that are used by children, and the activities that are carried out at the Club, are safe.
- Report any accidents, incidents or dangerous occurrences that have led to, or may in the future be likely to lead to, injury or damage, and assist in the investigation of any such events.
- Undergo relevant health and safety training when instructed to do so by the Manager.

Insurance

The Children Act 1989 and the Health and Safety at Work Act 1974, place a number of legal responsibilities on the Club. Therefore, the Club has insurance cover appropriate to its duties under this legislation, including Employer' Liability Insurance. Responsibility will, in most cases, rest with the Club, but staff will take reasonable care, both for themselves and other people who may be affected by their acts or omissions at work. If the Club is held responsible for any incident that may occur, public liability insurance will cover compensation.

Liability

Under provisions contained in the Occupiers Liability Act 1957, the Club has a duty to ensure that both children and any visitors are kept reasonably safe.

This policy will be reviewed annually.
