Missing Scooters—Update!

A visit from the local Police Community Support Officers helped our Reception children to finally solve the mystery of the missing scooters. It was our very own Mr Milner who had taken the scooters as he wanted to ride on them at the skate park! Thankfully they have been returned safely and Reception can now concentrate on their superhero topic!

Late arrivals at school

We have noted an increase in children arriving late for school which puts their learning at a disadvantage. Please ensure that your child arrives for school before the start of the day at 8.45 am. The school gates are open from 8.35am and the classroom doors close at 8.45am when the registers are taken promptly. If you are unavoidably late, please ensure that you sign your child in at the school office and don't send them into school by themselves. Thank you for your cooperation.

THE FRIENDS OF HAMPTON HARGATE PRIMARY SCHOOL

NEED YOU The Friends are a group of parents/carers and teachers who work together to enhance the school experience for the pupils.

We do this by raising funds to donate to the school so they may purchase equipment and hold events that they would otherwise struggle to find the funds for. We are always grateful for any help, so if you'd like to join the committee or if you are able to offer your help in other ways we'd love to hear from you.

Where can I find more information?

The Get Into Teaching website provides a range of support tools and guidance, including eligibility, bursaries and funding, application writing and subject knowledge enhancement (SKE) opportunities. If you wish to contact the Paragon ITT team, please email Chris Clayton:

How does the programme work?

Trainees are placed in their host school from the start of the year and typically spend six weeks in a second school to ensure a breadth of experience. Complementing the programme of training sessions at Bishop Grosseteste University, we draw on the expertise and strengths of outstanding classroom teachers, mentors and leadership team members from across the alliance to support participants through a tailored training programme.

Through our partnership of largely Outstanding and Good schools we offer training places in a wide range of subjects and phases which change annually based on school demand – check the UCAS Teacher Training website for latest information on availability.

Initial Teacher Training (ITT) at Hampton Hargate Primary School

Paragon Teaching School Alliance works in partnership with Bishop Grosseteste University to offer our School Direct programme for Initial Teacher Training (ITT) across both the primary and secondary phases.

This school-led programme enables successful trainees to achieve Qualified Teacher Status (QTS), a Post Graduate Certificate in Education (PGCE) and 60 credits towards a Masters level qualification.

Why choose Hampton Hargate Primary School Direct?

Aspiring teachers on our School Direct programme have the opportunity to work and train within an alliance with diversity at its core. Our alliance of schools is dedicated to making a difference to the lives of some of the most disadvantaged young people in the city.

Hampton Hargate Primary School is developing both a local and national reputation for being a centre of excellence within teaching and learning and continues to offer a plethora of training opportunities for all staff. The age range is from 4-11.

We continue to build on our strong culture where Hampton Hargate Primary School staff sees themselves as educators working in partnership with families and teams of multi-professionals.

Hampton Hargate Primary School has been graded Outstanding by Ofsted; BG University has been commended in 2015 as a good provider for all its school-based ITT provision. If you are ambitious, enthusiastic and passionate about teaching and working with young people, we want to hear from you!
