

Tomorrow's Future Starts Here

**THANK YOU** to the Friends of Hampton Hargate for their donations to the school. Without volunteers and helpers at fundraising events, the school would be unable to benefit from extra funds. To give you an idea of how their fundraising has helped the school, below is a list of some of the things that have been paid for by money raised from events:

- Chrome Books
- A new piano
- Peter Pan theatre tickets
- Student council photo frames
- Activities for Sports week
- Author visit and many more items.

If you would like to learn more about what the Friends do or if you'd like to join the committee, or are able to offer your help in other ways, we'd love to hear from you.

E-mail: friends@hampton-hargate.peterborough.sch.uk

Don't forget that the lunch menu on 17th May is a special menu. No need to book in advance, however if you pay for school dinners, please ensure that there are funds in your account.

**Year 1** took part in a multi-skills festival at Hampton College on Monday. They had a wonderful time and enjoyed taking part on lots of different activities including throwing and running.

**Bike It** had a wonderful day last week at Hampton Hargate. There were lots of bikes for Dr Bike to check, which certainly kept them very busy. A big thank you also to the Bike It Crew who learnt the ABC and M check, pumped up tyres and learnt lots of valuable new skills.

### Dates for your Diary

Thursday 17th May—4TA
Thursday 7th June—RKL
Thursday 14th June—6DM
Thursday 28th June—2RG
Wednesday 4th July—2RS
Thursday 5th July—RAH

# ATTENTION

## BROWN-TAIL MOTH

It's the time of year for the Brown-tail Moth caterpillars to appear. They have been over-wintering in the silken "tents" you can see on some of the bushes and other plants.

The caterpillar is brown with red and white markings and is very hairy. The hairs provide the moth with protection throughout its life cycle.

The hairs break off as barbs and on contact with skin can cause rashes, skin irritation, headaches and breathing difficulties.

After accidental contact you should wash your hands in soapy water and clear your eyes with an eyewash.

Seek medical advice if the symptoms are severe or persistent.

**PLEASE AVOID CONTACT  
WITH THESE CATERPILLARS**
