10<sup>th</sup> October 2018

Dear Parents/Carers,

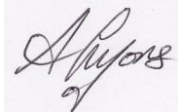

### Pre-ordering School Meals

As you know we changed our lunch time caterer over the summer holidays and ABM Catering have now been providing our school meals since the beginning of term. This change of caterer has allowed us to provide more choice and a better standard of food for our children and we hope they are enjoying the new lunches.

As from Monday 29<sup>th</sup> October we ask for your support once more as we move to the pre-ordering part of the changeover. As many of you will have noticed the school lunch menu has been on ParentPay since the start of this academic year; from **Monday 29<sup>th</sup> October you will need to have pre-ordered and paid** for your child's food on this menu system. This will enable the kitchen staff to plan and prepare in a more efficient way for feeding our large school and your child will be certain to get the meal you have requested for them.

With this system you have **up until 9am on the day** to book your child's meal. You will find help on ParentPay regarding how to book your child's meal and I have also included some help notes with this letter. If you do not have a ParentPay account or are having any problems with the system, please contact the School Office.

Yours sincerely

Mr A R Lyons  
Headteacher
