Hampton Hargate Primary School

Food & Drink Policy

Approved: November 2020

Review date: November 2023

Hampton Hargate Primary School believes that all children, regardless of ability and behaviour are valued equally. Groups of pupils (eg. SEND pupils, children in care, EAL pupils etc) are not viewed as separate but are part of the whole school approach. Different children's needs are recognised and met through varied and flexible provision and the use of different styles of teaching & learning throughout the curriculum. Every Child Matters (ECM) is an important part of the school ethos and we encourage all staff, governors, visitors, helpers etc to play their part in promoting this. This policy therefore applies to all our children, regardless of their gender, faith, race, culture, family circumstances or sexuality.

This school is committed to safeguarding and promoting the welfare and safety of all children and expects all staff to share in this commitment. All staff must follow the guidelines set out in the relevant section of **myconcern®** which is available online.

Our Club is committed to providing healthy, nutritious and tasty food and drinks for children during our sessions. The Manager and staff will make every effort to ensure that food and drink is safely prepared and sensitive to the dietary, religious and cultural requirements of all the children.

When preparing food and drink, staff will be mindful of the provisions of the Hygiene policy so as to ensure that the safety of staff and children is paramount. In addition to these provisions, staff will be careful to ensure both the safety of themselves and children when using sharp or dangerous equipment in food and drink preparation.

The Manager and staff are mindful of their responsibilities and obligations under the Food Safety Act 1990. The Club is registered with the local authority to provide food. All staff are to be trained in food storage, preparation, cooking and food safety and encouraged to have up to date Food Handling Certificates.

As part of a child's settling in period, the Club requires that the parents and carers complete the Registration Form, including information about any special dietary requirements or allergies the child suffers from, along with their food and drink preferences. The Manager and staff will ensure that food and drink offered to children takes account of this information so as to safeguard their health, and meet – as far as possible – their particular preferences.

No child will ever be forced to eat or drink something against their will and the withholding or granting of food and drink will never be used as either a punishment or reward.

Healthy Eating

The Club recognises the importance of healthy eating and a balanced and nutritious diet. Because of this, the Club will endeavour to make a variety of foods available including; meat, vegetarian and vegan options, plenty of fruit and low fat and low sugary food. Sandwiches can be made with either brown or white bread, depending on a child's preference.

The Club will not regularly provide sweets for children and will avoid excessive amounts of fatty or sugary foods. The Club will provide a choice of non-sugary drinks and make sure that fresh drinking water is available at all times.

Cultural and Religious Diversity

The Club and its staff are committed to embracing the cultural and religious diversity of the families who use our services. The Manager and staff will work with parents/carers to ensure that any particular dietary requirements are met. The Club is also keen to help introduce children to different religious and cultural festivals and events through different types of food and drink.

This policy will be reviewed every 3 years.
