

### Year 6 trip to Grafham Water

In June 2021 Year 6 spent the day at Grafham Water developing their team building skills. We learned how to canoe. The children also worked with the instructors to create their own rafts using barrels, wood and rope. They did a great job to keep afloat but also had lots of fun splashing around on the reservoir! Thankfully the wetsuits kept out the cold.

### Year 5 Ferry Meadows Trip

Children in Year 5 enjoyed a series of outdoor activities at Ferry Meadows in June 2021. The challenges included an outdoor climbing wall, canoeing and fire lighting. The children had a wonderful time and really impressed the instructors with their positive attitude towards everything they were asked to do.

### Year 6 Residential Trip

In June 2019 Year 6 children took part in the week-long residential trip to Kingswood in Ashford in Kent. The children had a wonderful time, learning how to cope with new challenges and how to work as a team. There was a chance for everyone to take part in a host of high adrenaline activities including a climbing wall, the 3G Swing and the Leap of Faith. It was fantastic to see their confidence grow as the week went on.
