

# Diversity

We are all different but special in our own way

We are unique and have our own say

Doesn't matter our background

If we are together all year round.

Different no matter who you are

Even if your life has a scar

It can be a bumpy ride

But we will always be by each other's side.

Be kind no excuse

So don't misuse

If we can play fairly

We will fight rarely

We are children and we go

Don't be unkind, no no no

Why to leave out?

So do not pout

We're all from different countries

Let us play and run free

We are all from different trains

So do not be down by the rains.

We all love and learn by play

Which is why we say Yippe Yippe aye

We dearly love each other

We each are all a different character

## Acrostic poem

**D**ream a dream together,  
**I**ncredibly and unique we are,  
**V**acations and holidays are free times to play,  
**E**ach of us are different and that is great,  
**R**eady for each other,  
**S**ome of us are small and some of us are **big**,  
**I**ncredibility surrounds us all the time,  
**T**ogether we are all different and divine,  
**Y**ou know that you and I are completely **AWESOME** the way we are!
