

Sports Clubs in our Local Area

Dear Parents and Carers,

Please find attached a list of clubs and contact information for external sport and physical activity clubs in our local area.

Please note that these clubs are run by external providers and **not** Hampton Hargate Primary School. Parents should liaise directly with the club organisers and not the school. It is your responsibility as a parent/carer to check how well a sport/activity provider operates.

Here are some key points to consider when choosing a sports club:

- Even if a club is accredited, you should check that the organisation has a safeguarding policy, with a clear procedure for dealing with concerns. You should be advised from the external provider how you can access the policy.
- There should be a named and contactable responsible person for the implementation of their safeguarding policy and dealing with issues relating to the protection of children, young people or adults in their club.
- Procedures for dealing with complaints or concerns regarding poor practice, abuse or neglect
- Written standards of good practice, such as a code of conduct or behaviour
- A parental consent and emergency details form that you must return to the club or activity provider to ensure you can be contacted quickly
- Safer recruitment procedures for those working with young people that include a clear job description, appropriate references, criminal records checks (e.g. DBS) for relevant posts and qualifications
- Access to appropriate safeguarding or child protection training for its staff and volunteers.
